FOR IMMEDIATE RELEASE

NCRA Presents Gift for Fireworks

Stephen Weller (left in photo), President of the McPherson Light Capitol Kiwanis, was presented a check in the amount of \$8,023.79 from Jim Loving, NCRA President. The gift is to cover the cost of the Fireworks display held at Wall Park on July 4.

"We wish to thank the McPherson Light Capitol Kiwanis," said Loving, "for providing another safe and entertaining fireworks display this year. All of the volunteers did an excellent job again for our community and we are glad to partner with them in this way."

Weller said, "We could not put on the fireworks display for McPherson without the generous support of NCRA in covering all of the expenses associated with this event. In addition to the fireworks this year, NCRA's funds allowed us to purchase much-needed new tires for our launching trailer. Next year we hope to make some improvements in the firing cable system as well. Their funding of the fireworks expenses allows us to focus our efforts on helping the children of the McPherson community. NCRA continues to be a great contributor to our community; we thank them for their funding this year, and we look forward to working with them for many years to come."

NCRA is an interregional petroleum cooperative operated by over 630 employees who are passionate about doing quality work and being a good neighbor. NCRA specializes in taking crude oil pumped right out of the ground and making it into gasoline and diesel fuel for vehicles such as cars, boats, trucks and tractors.
