FOR IMMEDIATE RELEASE

NCRA Supports WACC

Entry fees, amounting to \$2,616 paid by NCRA employees to play in the NCRA Employee Appreciation Golf Tournament on August 14, were donated to a local charity called WACCC which stands for Women and Children Combating Cancer. The fund was established with the McPherson County Community Foundation close to five years ago.

"We were looking for a good cause," said Ben Oard, coordinator for the tournament. "We were looking for a non-profit organization where the money would stay in McPherson. What could be better than serving women and children who are battling cancer?"

Jen Bonham, WACCC board member says, "The money that's raised here is used here, nothing leaves McPherson County. The money is for women and children and can be used for just about anything - not just medical expenses. It can be used for paying a bill, buying groceries, or for gas in the car, anything to help them get by. We're so thankful because this will go a long way."
